Additional REQUIRED information:

First thing Saturday morning upon leaving Hickman, KY, we will cross the Mississippi River on a ferry. Coast Guard safety regulations place a 150 passenger limit on each crossing. Accordingly, we will need multiple trips to get everyone across. In the spaces provided, please indicate your preferred time to cross by CIRCLING "1st" by that crossing time. *As online registrations may cause a time slot to fill between the time you mail this form and when we receive it, your first choice of times may be full.* Therefore, please also circle your second and third choice of crossing times. To keep trips in balance, once you have selected a time, it CANNOT be changed. You will receive a color-coded wristband at check-in; you will only be able to cross at the time for that color.

Circle your first, second, third choices: 7:30 AM 1st 2nd 3rd 8:15 AM 1st 2nd 3rd 9:00 AM 1st 2nd 3rd

Refunds/insurance:

If you must cancel your registration prior to April 16, 2017, there will be a \$75 processing fee. No refunds for any reason after April 16, 2017. Accordingly, you are encouraged to obtain trip interruption insurance. If you require medical treatment or ambulance services for any reason while on the ride, **you are responsible for payment**, and should therefore bring your insurance card and keep it with you on the bike. If the required minimum number of participants for the tour has not been reached by April 16, 2017, Midwest Cyclotouring, LLC reserves the right to cancel the operation of the "Ride the Fault Line" tour for 2017, and registrant's sole remedy in such instance will be the refund and return of registration fees paid. Midwest Cyclotouring, LLC reserves the unconditional right to modify the route or itinerary without prior notice due to weather, road, river, or other unpredictable conditions.

***Base fee** includes, for each rider: Outdoor camping space each night, free indoor camping option (first come, first served) each night; indoor showers and/or shower trailer; baggage transportation for two bags (see "about RTFL" tab on website for details on types of baggage accepted); maps, cue sheets, and route markings; minimum of two rest/water stops each day; on-route mechanical and SAG support; tickets for ferry passage; week-long parking for one vehicle at the start/finish site; entertainment; overnight town shuttle bus service (where required).
